

Volunteer English Interpreters/Tour Guides

GOZAIN is a group of English-language tour guides who operate mainly in Sendai and Matsushima.

Guides accompany visitors on the lovely Loople Sendai tourist bus to show them around the site of Sendai Castle, Zuihoden Mausoleum, and the national treasure Osaki Hachimangu Shrine. They also show visitors around Matsushima, one of the Three Sights of Japan, and areas recovering from the disaster in and around Sendai.
