# Speical Message from Lady Gaga in Japan

- On June 23<sup>rd</sup>, media conference was held in Tokyo for MTV Music Aid Japan with special appearance of Lady Gaga, Ambassador Roos and the Commissioner of Japan Tourism Agency.
- The Commissioner presented Lady Gaga a certificate of appreciation for her continuing support activity for Japan including her strong message calling on people in the world to visit Japan.
- Lady Gaga made the following remarks at the conference  
“It is so important that we continue to raise money. But it is also important that we remind the world that Japan is now safe and that the doors are open for tourists from all over the world to come in and enjoy the beautiful country.”
- Her appearance and message was reported with huge international coverage.
