Tokyo-London Financial Seminar 2022 Registration is Now Open

We are pleased to inform you that “Tokyo-London Financial Seminar 2022”, organized jointly by the Tokyo Metropolitan Government (TMG) and the City of London Corporation, will be held on Tuesday, February 15. The theme of this year’s seminar is FinTech and speakers at the forefront of both cities’ FinTech communities will take the stage to present on the latest trends and initiatives. We welcome you to join us online.

This seminar will be held based on the Memorandum of Understanding between the Tokyo Metropolitan Government and the City of London Corporation concerning the exchange and cooperation*, which was concluded in December 2017 by TMG and the City of London.

*The Memorandum of Understanding between the TMG and the City of London, the financial centre of London, and covering collaboration on financial events, financial training programs and green finance and the like, as a part of the effort to promote the “Global Financial City: Tokyo” Vision.
