12 Kuninao Village (various)

Instead of feverishly touring around sightseeing spots, I recommend that you spend time comfortably if you stay in Kuninao village, as if you were on vacation. Get active in nature, enjoy a chat with the locals, gaze at the changing colors of the sky as the sun sets; I'd like for you to experience the real Amami. I'm sure that in that time you will definitely re-charge your heart!
