
Making ANIME more interesting, Bringing ANIME far into the future

Special Summer Event “Tanabata Festival at Anime Tokyo Station”

Feature a Public Recording of a Chat and Dramatic Reading

by Voice Actors Miina Tominaga and Wataru Takagi on July 7!

Anime Tokyo Station, an exhibition center for Japanese anime operated by the Tokyo Metropolitan Government and the Association of Japanese Animations, has welcomed 174,935 visitors from Japan and overseas (as of June 1, 2025) as a facility that promotes the appeal of Japanese anime to the world under the motto, “Making ANIME more interesting, Bringing ANIME far into the future.”

This time, **the official Tokyo Station anime YouTube channel is hosting its first public recording event on July 7, 2025, featuring a chat and dramatic reading** by voice actors **Miina Tominaga**, known for her roles as Katsuo in the nationally popular anime “*Sazae-san*” and as Dokin-chan in “*Soreike! Anpanman*,” as well as **Wataru Takagi**, known for his roles as Genta Kojima and Officer Takagi in “*Detective Conan*.” The event will be streamed on the official YouTube channel of Anime Tokyo Station on July 12 and 13 for a limited time only.

Miina Tominaga

Wataru Takagi

The event will be held in two parts. The first part will feature a variety-show-style chat interspersed with drawing demonstrations^{*1} by animators. Two experienced voice actors in the world of Japanese anime and television will talk about episodes of their works and their deep involvement in anime and dramas, delivering fun content only available at Anime Tokyo Station. The second part will feature a dramatic reading of “*Aru Hareta Hi Ni (One Sunny Day)*,” the second piece from the series “*Arashi No Yoru Ni (One Stormy Night)*,” which was a hit at last year’s Anime Tokyo Station first anniversary event. Miina Tominaga and Wataru Takagi will perform it live with percussion and sound effects to give a realistic impression. In addition, there will be a rare chat with Yuichi Kimura, the author of the story.

On the day of the event, 30 people will be selected by lucky draw to attend the recording. Entries will be accepted from June 9, 2025 via a dedicated form.^{*2}

Please take this opportunity to enjoy this special summer event by Anime Tokyo Station, either by attending in person or streaming the event online.

^{*1}Video recording may be shown.

^{*2}The application has already been closed.
