Anime Tokyo Station is an anime exhibition site focused on Japanese anime content, which has developed a devout fan base around the world. Under the motto, “Make ANIME more interesting, Bringing ANIME far into the future,” it regularly hosts special exhibitions for popular anime and attracts 187,602 visitors (as of June 29, 2025) from both Japan and overseas as a facility that communicates the appeal of Japanese anime to the world.

From May 2025, Anime Tokyo Station will be holding a special exhibition of the theatrical pre-release of *Mobile Suit Gundam GQuuuuuuX -Beginning-*, the latest installment of the Gundam series directed by Kazuya Tsurumaki and the first-ever collaboration between studio khara, known for the Evangelion series, and SUNRISE, the studio behind the Gundam series.

It has been decided that **two new designs will be added to the illustration cards, which are distributed as an admission bonus.** The second design is based on the teaser visual with an impressive back view of Nyaan looking up at MACHU and GQuuuuuuX, and the third design features MACHU looking back, which is the iconic and pop key visual of the TV series. Why not try to complete the entire collection over summer vacation?

Come to Anime Tokyo Station and experience the full appeal of *Mobile Suit Gundam GQuuuuuuX -Beginning-*.
