This time, Anime Tokyo Station will be holding **“Summer Festival at Anime Tokyo Station,”** featuring various special events during **summer vacation.**

As one of the events for Summer Festival at Anime Tokyo Station, we are pleased to announce the **“TOKIO Exciting Anime Workshop.”**

The TOKIO Exciting Anime Workshop is an anime production workshop for elementary and junior high school students to be held over two days on August 23 and 24. In this workshop, participants will learn about stop-motion animation, the mechanics of animation, sound expression, and the production process, then work together using tablets (devices) to create animations. Creating anime through communication with others stimulates both receptivity and initiative, fostering children’s awareness and growth.

Information about other workshops and events for Summer Festival at Anime Tokyo Station will be announced on the official website and official social media channels, so don’t miss out!
