

2026 Philippines–Japan Friendship Year (70th Anniversary of Normalization of Diplomatic Relations) Opening Event: Cultural Exchange Facilitated by the Tokyo-Manila Jazz & Arts Festival Group

As the **opening event to the 2026 Philippines–Japan Friendship Year (70th anniversary of the normalization of diplomatic relations)**, the Japan Foundation will host **concerts and a workshop by the Tokyo-Manila Jazz & Arts Festival Group** with main vocalist **Charito** in Manila and Cebu.

The event is aimed at further deepening ties between Japan and the Philippines, with the sound of jazz serving as a bridge between the cultures of the two countries, under the theme of the 2026 Philippines–Japan Friendship Year, “Weaving the Future Together: Peace, Prosperity, Possibilities.”

Charito is a multiple-award-winning vocalist at the forefront of the Japanese jazz world. In addition to her musical career, she has worked to connect Japan and the Philippines through music, such as by launching the Tokyo-Manila Jazz & Arts Festival, which brings together jazz artists from Japan and the Philippines, and engaging in charity work to support children in both countries.

We hope that the three concerts in Manila and Cebu will familiarize audiences with the cultural ties between the two countries through jazz.

In addition, in the workshop to be held at De La Salle University – Dasmariñas located to the south of Metro Manila, exchange with students studying jazz will contribute to fostering members of the next generation, along with conveying the appeal of music and the joy of creativity.

This event will be carried out as part of “Partnership to Co-create a Future with the Next Generation: WA Project 2.0,” a comprehensive people-to-people exchange program aimed at promoting exchange and fostering members of the next generation in Japan and ASEAN.
